

Visitor Center Distribution Program Contract

What Is the Visitor Center Distribution Program?

The Louisiana Travel Association provides members with a low cost means of distributing literature through the state's network of visitor information centers. These visitor centers are operated by the State of Louisiana on the major interstate highways at entry points to Louisiana, and by city or parish governments, chambers of commerce, or tourist bureaus throughout Louisiana. This program assists members in getting their brochures into the hands of visitors who have stopped at one of our centers.

How Does The Program Work?

A master list of visitor center distribution participants is supplied to the network of centers together with each participant's brochure, which has been assigned a code number for use in ordering. Updates are sent to each center monthly. Annual reports allow participants to review where their brochures are used most frequently. While every effort is made to encourage each center to order all participating members' brochures, LTA **cannot** be responsible for making certain that is the case. We urge participants to review their reports and to contact centers who are not ordering their brochures.

How Can I Participate?

A member must sign a yearly contract based on a price according to the brochure size. The brochure is assigned a code number and a copy of the brochure is sent to each center for inclusion in a master book of brochures available to each center. LTA will warehouse the remaining brochures and ship them as ordered. You will be furnished with annual reports detailing the distribution of your brochure. A maximum of 10,000 brochures will be distributed per

year; **additional shipments will be pro-rated based on contracts.** As we near your annual contract renewal date, the LTA office will mail out your invoice. If LTA hasn't received payment in 30 days after contract ends, we will discontinue the distribution of your materials but will resume once payment is received.

How Many Brochures Will I Need?

It is not possible to determine how many of your brochures will be needed to satisfy the requests of the visitor centers each year. While the number of brochures needed varies according to the participant's location and description, the average is 10,000 copies. This should assist you in budgeting on an annual basis for the distribution of your promotional literature. Remember that new brochures on the program will be distributed quickly at first but will settle to a normal level once the centers are familiar with their availability. Every brochure must meet certain guidelines set by the Louisiana Office of Tourism for it to be distributed to the eight state information centers. A copy of the guidelines can be obtained by calling the LTA office. All brochures are approved for distribution at LTA-certified centers.

Where Do I Send My Brochures For Distribution?

The brochures should be shipped **prepaid** to:
LTA Warehouse / 14141 Airline Hwy Ste 1Q / Baton Rouge, LA 70817.

****Please Clearly & Accurately Label Each Box with the quantity of brochures included.**

******It is the participant's responsibility to notify LTA of ANY changes in design or content of their brochure. They must also contact LTA when a special offer has expired.**

ADDITIONAL INFORMATION & GUIDELINES

| | |
|-----------------------------------|--|
| Reports: | Annual reports on inventory levels and distribution points will be sent along with your renewal invoice |
| Quantity of Brochures: | No more than 10,000 brochures should be sent for distribution at a time. When your inventory level gets low, LTA will send a notification to request additional brochures. |
| Labeling & Banding: | All brochures must be banded or shrink-wrapped in quantities of 25, 50, or 100 for ease of tracking distribution. Also remember to label each box with the name & quantity of brochures. |
