## DISTILLERY TOURS

General admission tours are conducted daily, free of charge. Tours are available to walk-ins or by reservation; please call to schedule. Groups gather in the viewing room before being led on a guided tour through the distillery to see how our rum is made. Tours conclude at the tasting bar with complimentary samples of Bayou Rum.

Interested in a more premium and unique experience? Book a VIP tour on our website at [bayourum.com/distillery/schedule-a-tour/vip/](http://bayourum.com/distillery/schedule-a-tour/vip/), which offers an in-depth look at the rum-making process, directly from our master distiller, master blender, or the lead tour guide. Guests will also receive an upgraded tasting presented in our new event center and barrel library.

## EVENT CENTER

Separated from the distillery by an enclosed courtyard, is our newly completed 4,038 sq. ft. event center. Featuring exposed beams and bricks, and towering ceilings, it appeals to both classic and contemporary tastes alike. Large windows separate the event space from the barrel library, creating a stunning backdrop to make any event different from the rest. The event center is available for both public and private occasions including weddings, receptions, luncheons and Mardi Gras balls. For more information, contact us at 337-588-5800.
