

BAYOU TECHE MUSEUM

THE PEOPLE. THE HISTORY. THE CULTURE. THE INDUSTRY

NEW IBERIA • LOUISIANA

A state-of-the-art museum with a permanent collection of artifacts and memorabilia from the region telling the story of a growing city, its people, culture and industry all centered around the “snake-like” curves of the Bayou Teche. The Bayou Teche Museum offers entertainment, interactive and educational opportunities for visitors and tour groups of all ages. The museum is located on downtown New Iberia's award-winning Main Street, the captivating setting captured in the famed detective novels of one-time New Iberia resident and award-winning author, James Lee Burke. Just 2 blocks from beautiful Shadows-on-the-Teche and minutes from KONRIKO®, America's oldest operating rice mill.

Through Interactive, Archival and Video Presentations you can

We are now the permanent home of the Rodriguez Artist's Studio from California AND "Rodrigue Comes Home" is a continuous rotating exhibit of original paintings by native son, George Rodrigue.
