# NATURE'S HAVEN

Hailed by seasoned swamp visitors as "the best they have ever seen." Enjoy your visit with Cajun Pride on a privately owned wildlife refuge in the heart of the Manchac Swamp. Our customized boats are the only boats traveling these waterways. The swamp critters see our boats daily and recognize them as part of their environment. Responsive to the boat captain's call, they peak out from underbrush and between moss draped trees and shrubs, coming directly to the boat. Our nature's haven harbors American Alligators, nutria, ibis, turtles, herons, raccoons, egrets, and many more species native to the swamp. Extraordinary memories await!

Filmed by The Travel Channel - "Most Haunted Places"  
National Geographic, The Weather Channel, The Hatchet Movie, MTV for a "Fear" episode, "Most Haunted" and a "Wild Boys" episode.
