FISHING

In Louisiana, fishing isn't a pastime or a hobby. It's a way of life, as intertwined with our culture as Cajun music and gumbo. Pick a place on the map and you're almost guaranteed to find a spot where folks are making memories and reeling in a fresh catch. From the pier to the plate, Louisiana is an angler's dream destination.

WATER ACTIVITIES

The beauty of being on the water in Louisiana – which, we might add, is everywhere in the Bayou State – is in the diversity. Renting a house boat in Minden provides a different experience than the Cajun Corridor. Both, however, result in natural vistas, spectacular sunsets and unique wildlife viewing. Adventure-seekers can enjoy waterskiing on picturesque lakes or canoeing and paddling along scenic bayous.
