LOUISIANA'S Official Golf Guide

Contraband Bayou at L'Auberge Casino Resort

Louisiana boasts golf courses as unique as the state itself. The Audubon Golf Trail and the many other exciting world-class golf courses and golf resorts give new meaning to our nickname, “Sportsman’s Paradise.”

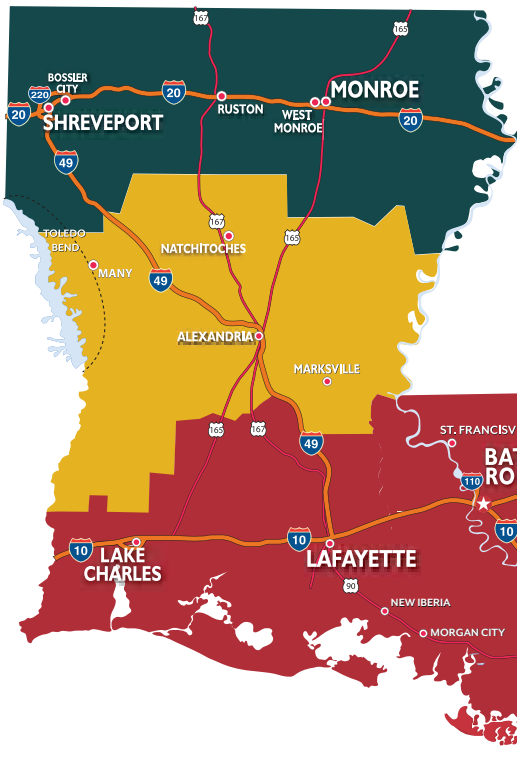

Mix a pinch of sand from the bunker, a divot from the fairway and the scent of pine from the air and you’ve got the makings of an intoxicating round of golf that can only be conjured in Louisiana. But it’s not voodoo or magic that makes this so, it’s that Louisiana roots run deep and joie de vivre or “joy of life” comes naturally.

Golf addicts can get their fix in many places, but Louisiana offers so much more than the average golf destination. Off the course attractions include a brewery trail, riverboat casinos and exciting racetracks, the Mighty Mississippi and the French Quarter, live music venues and Culinary Trails, world-class saltwater and freshwater fishing, historic homes and Mardi Gras museums.

And just like so many of our outdoor activities, Louisiana golf courses are designed to show off the intrinsic natural beauty of the state while offering a variety of challenging and interesting experiences, all at a great value.

The vast variety of lodging options, from historic homes and hotels to B&Bs and luxurious casino resorts, enable golf travelers to experience Louisiana like no other. And the great selection of golf resorts provide the best of both worlds.

In the end, Louisiana boasts golf courses as unique as the state itself. The Audubon Golf Trail and the many other exciting world-class golf courses and golf resorts give new meaning to Louisiana’s nickname, “Sportsman’s Paradise.”

LOUISIANA'S Audubon Golf Trail

Louisiana's **Audubon Golf Trail** offers a truly unique golfing experience. Trail members have undergone a rigorous screening process to ensure a compilation of 17 first class courses with high standards of customer service and top quality maintenance. The Audubon Golf Trail was named for naturalist/artist John James Audubon who, enchanted by the natural beauty of Louisiana, painted a number of his famous bird studies here. And, two courses on the Trail are members of the Audubon Cooperative Sanctuary for Golf Courses.

The Trail begins in North Louisiana with Louisiana State Park's only golf course, **Black Bear**. It's located off I-20 east of Monroe and offers both a 17-room lodge and state park cabins for on-site lodging.

Heading south, **Cypress Bend Resort** on the Texas-Louisiana border sits on the bluffs above Toledo Bend Lake. The resort offers an 18-hole course, accommodations, delectable dining and spa facilities. The Paragon Casino Resort, in Marksville, boasts the 18-hole **Tamahka Trails** course, table games, slots, poker, a hotel, and spa. **OakWing Golf Club**, located at England Air Force Base in Alexandria, is one of the original courses on Louisiana's Audubon Golf Trail.

And in the southwest corner of the state, **Mallard Golf Club**, a Scottish links inspired golf course, is

one of three new Audubon Golf Trail golf courses. Lake Charles boasts two world-class casino resorts each with on-site golf courses. It's a great spot to stay a few days. Moving east along I-10 is **Koasati Pines at Coushatta Casino Resort** located in the town of Kinder. It offers a unique 19th "gambling" hole, a par 3 island green, perfect for tiebreakers and wagers. Just a short drive away, the Lafayette area is now the location for two Audubon Golf Trail golf courses. **The Wetlands**, in Lafayette, showcases the region's wetlands area, and **Farm d'Allie** in Carencro is another new Audubon Golf Trail member. "The Farm," as the course is called, is a spectacular 18-hole championship course.

Deep in Cajun Country, south of I-10 between Baton Rouge and New Orleans is home to **The Atchafalaya at Idlewild**, a scenic Robert von Hagge design located in Morgan City.

Greater Baton Rouge has become golf central for Louisiana, with five Audubon Golf Trail courses located within 45 minutes of the capital city. **Santa Maria** is Baton Rouge's home course and was designed by the world-renowned Robert Trent Jones, Sr. **The Island in Plaquemine**, a true championship course, has just re-joined the Audubon Golf Trail. **Copper Mill** is in the suburb

TPC Louisiana on the Audubon Golf Trail

of Zachary north of the airport. Just east of Baton Rouge in Springfield is Louisiana native, David Toms' first design, **Carter Plantation**. This location also offers on-site golf villas with multiple bedrooms and common space. Another AGT golf course is just 30 minutes east in Hammond. The semi-private **Oak Knoll Country Club** has that old, Southern country club feel to complement a relaxing round of golf.

Louisiana's most visited city, New Orleans, is home to three AGT locations. The historic **Golf Club at Audubon Park** is one of the oldest courses in the state and it's located right on the streetcar line. On the west bank of the Mississippi River just outside New Orleans is **TPC Louisiana**. Pete Dye designed the course, which annually hosts the PGA TOUR'S Zurich Classic. Plus, **Bayou Oaks South Course** in New Orleans City Park was designed by Rees Jones and has a spectacular layout for golf enthusiasts of all skill levels.

Only in Louisiana can you experience the courses of David Toms, Robert Trent Jones, Sr., Pete Dye and the

most magnificent designer of all, Mother Nature. As home to the Audubon Golf Trail, Louisiana is more than great food, festivals and music -- it's great golf too.

Take a tour of the 17 unique, hand-picked Audubon Golf Trail courses on the next few pages, and when you're ready to challenge the Trail, check out some "Stay & Play" opportunities at **AudubonGolf.com**.

BLACK BEAR

DELHI

Set atop Macon Ridge and winding down through wooded creek bottoms in Northeast Louisiana, Black Bear's 7,200-yard championship layout spans a varied topography. The result is a championship design appealing to golfers of all skill levels. Expansive greens, lush fairways, plus affordable pricing make Black Bear a must play.

CYPRESS BEND

MANY

Located on the Texas-Louisiana border, Cypress Bend Resort's 18-hole championship golf course is known as the crown jewel of the Louisiana Audubon Golf Trail for its natural beauty. Recently renovated and redesigned by award-winning architect Jeffrey Blume, the stunning course is ideal for players of all levels.

OAKWING

ALEXANDRIA

OakWing Golf Club offers a unique Jim Lipe design interwoven throughout its beautiful England Air Force Base location. This 7,043-yard links-style course blends the natural beauty of Louisiana bayous, lakes and towering treelined fairways with the challenge of rolling hills and undulating greens.

TAMAHKA TRAILS **MARKSVILLE/ALEXANDRIA**

Tamahka Trails' 18 hole, par 71 championship layout will challenge scratch golfers, while providing an enjoyable experience for higher handicappers by offering five sets of tees. Designed by award-winning architect, Steve Smyers, the course meanders through a 230-acre tract of rolling terrain, which is unique to central and south Louisiana. The winding creeks, majestic century-old trees and native wildlife provides a sense of seclusion and harmony with nature.

THE ATCHAFALAYA AT IDLEWILD **PATTERSON**

The Atchafalaya at Idlewild is surrounded by the rich wildlife and incredible beauty found only in the heart of the Atchafalaya Basin. Designed by Robert von Hagge, the 7,533-yard course contains five lakes and 10 native wetland areas that encompass nearly 40 acres. Dramatic changes in elevation create breathtaking vistas and challenges.

AUDUBON PARK **NEW ORLEANS**

The Golf Course at Audubon Park is a par-62 layout, located on St. Charles Avenue in historic uptown New Orleans. It's the only golf course accessible by streetcar, and it features contoured fairways, manicured greens, four lagoons and exquisite landscaping set among hundred-year-old oak trees. Golf has been played here since 1898.

BAYOU OAKS AT CITY PARK **SOUTH COURSE** **NEW ORLEANS**

A championship level golf course comprised of a 250-acre footprint. The layout of the 18-hole course incorporates portions of the former East and West courses and features many of the historic oak trees and existing lagoons that are characteristic of City Park. Designed by Rees Jones, the par 72 layout has been designed to accommodate players of all skill levels.

CARTER PLANTATION SPRINGFIELD

Carter Plantation is home to PGA Champion and Louisiana native David Toms' design. The spectacular course plays through three distinct Louisiana landscapes—live oaks, cypress wetlands and upland pine forests. Great effort has been made to preserve the plantation's native wildlife habitats, with water coming into play on 11 of the holes.

COPPER MILL ZACHARY/BATON ROUGE

Copper Mill is a "links-style" course reminiscent of those found in Scotland. The course, which features the native terrain of Louisiana, weaves its way through grasses, wetlands and marshes, and features more than 50 strategically placed bunkers and water hazards on 13 of the holes. You'll find that each hole at Copper Mill is truly memorable.

FARM D'ALLIE GOLF CLUB CARENCRO

The Farm d'Allie Golf Club in Carencro is a spectacular 18-hole championship golf course crafted by golf course architect, Jeffrey Blume. Comprised of 215 acres, much of the course is situated in what the Acadians called bottomland or Beau Basin, which was once the river bend of the "Mighty Mississippi." At one time this tract was used for growing cotton, soybeans, raising cattle, and a popular place for locals to ride their horses. Hence, the name "Farm d' Allie."

KOASATI PINES GOLF CLUB

KINDER

A top casino course in Louisiana. Multiple approaches on three holes, six sets of tees to engage golfers of all skill levels, pristine greens and beautiful fairways, all wrapped up in a stunning 18-hole par 72 championship layout. There are multiple approaches to three holes—GPS enabled carts track yardage and offer course tips to help plan each shot. The novel 19th “gambling” hole is a par 3 island green, perfect for tiebreakers and wagers.

MALLARD GOLF CLUB

LAKE CHARLES

The City of Lake Charles is proud to announce the completion of Mallard Golf Club, a Scottish links inspired golf course designed by Jeffrey Blume. This Championship golf course features five sets of tee boxes, elevated greens, and rolling hills. The golf course is surrounded by native areas and will produce a true Scottish links experience.

OAK KNOLL COUNTRY CLUB

HAMMOND

A hidden gem in the Northshore golf community, Oak Knoll has history and charm. Nestled among some of Hammond's most beautiful oaks, the course offers beautiful scenery and atmosphere. The real star of the show is the fantastic golf design, which allows players of all ages and skill levels to feel both competitive and challenged. This layout will have you reaching for every club as you maneuver the rolling fairways, fast greens and strategically placed sand and water hazards.

SANTA MARIA

BATON ROUGE

Designed by Robert Trent Jones, Sr., the course is built on 150 acres of rolling terrain, featuring 15 lakes and two natural waterways. Sand and grass bunkers, Bermuda fairways and ancient oaks provide the perfect setting for a memorable test of golf. Santa Maria has consistently received *Golf Digest's* highest ratings for a municipal course.

THE ISLAND PLAQUEMINE

The 160-acre Tif-Eagle golf course presents nine man-made lakes. These lakes are part of the course on 17 of the 18 holes. This true championship course plays from the professional tees at just under 7,000 yards. It is also very golfer friendly with tee placements for the average, senior and women golfers. The front nine is played clockwise and the back nine is played counterclockwise. The clubhouse overlooks the greens on holes 9 and 18.

TPC LOUISIANA AVONDALE/NEW ORLEANS

TPC Louisiana brings world-class, daily-fee golf to New Orleans. Pete Dye created a challenging course that utilizes the natural vegetation, water features and many cypress trees found on site. Located just 15 minutes from the French Quarter, TPC Louisiana is home to the state's only PGA TOUR event, the Zurich Classic.

THE WETLANDS LAFAYETTE

The Wetlands Golf Club was designed by architect Frank Burandt, formerly of Nicklaus Design. The course not only showcases the region's many lakes and wetland areas, it also features abundant native grasses and wildflowers. The challenge of the golf course presents itself with well-bunkered greens and water hazards that affect 11 of its 18 holes.

NORTH Louisiana

There are several sides to **North Louisiana**. For the outdoor enthusiast, you can find some of the best mountain biking in the South. Various kinds of museums will satisfy history buffs.

If it's stars you have in your eyes, navigate the universe at **Sci-Port: Louisiana's Science Center** in **Shreveport**, or spend the day at the **Duck Commander Warehouse** in the **Monroe-West Monroe** area. If it is treasure you seek, find it at **Monroe-West Monroe's Antique Alley**, or try your luck at one of the many exciting casinos in the area.

Black Bear Golf Club on the Audubon Golf Trail

The Louisiana golfing journey begins in the northern part of the state, adjacent to Arkansas, Texas and Mississippi. As the closest region to Midwest golfers who annually need an escape from cold weather, **North Louisiana** golf courses are eager to host golf groups.

Black Bear Golf Course, located at **Poverty Point Reservoir State Park**, just off I-20 in the far eastern part of the region, was named a “best new affordable course” by *Golf Digest* when it opened and *Golf-week’s* “best in state” for seven years in a row. This **Audubon Golf Trail** site takes advantage of the rolling hills and offers great views of the surrounding countryside. The TifEagle greens are large, fast and well-protected by immense bunkers. The adjacent 17-room **Black Bear Lodge** or state park cabins provide a great place to stay and unwind after your day on the links.

Querbes Park Golf Course is Shreveport’s home course, located near downtown and all the casino hotels. Beauty and value make this 18-hole course a great experience for golfers.

Squire Creek, in the quaint town of **Choudrant** near **Ruston**, is one of the region’s most desirable private country clubs and features on-site golf cottages. A Tom Fazio signature design, the course was listed in *Golf Digest’s* “best new private courses” when it opened. The greens have been compared to Augusta, but the open layout means you’ll rarely have a bad lie.

Calvert Crossing is located halfway between Monroe and Ruston. It challenges with well-placed hazards throughout and undulating greens. This private club is available for play through the Troon Privé reciprocal program.

With so many exciting golf courses and a variety of lodging options, finding a stay and play option is easy in North Louisiana.

**OTHER
 SIDE**

CENTRAL Louisiana

Louisiana's heritage runs deep in this region. The Creole, French and Indian influences are so strong you can taste them. Eat the meat pies in **Natchitoches** and you'll see for yourself. **Lea's Lunchroom** in **Lecompte** has served daily specials, plus sweet pies since 1928. Looking for something more than food? Several historic homes in the region showcase agricultural roots. And make sure to visit one of the top bass lakes in the nation at **Toledo Bend**. Also, take time to enjoy the **Toledo Bend Family Adventure Park**.

Cypress Bend Golf Course on the Audubon Golf Trail

Tamahka Trails Golf Club on the Audubon Golf Trail

Central Louisiana is a unique splice of Louisiana which feels much like the rest of the South. It offers quaint inns, historic hotels and exciting resorts at which to stay for a one-of-a-kind Louisiana golf vacation.

The first is **Cypress Bend Golf Resort** in the far western town of **Many**. The resort sits majestically along the shores of **Toledo Bend Lake**, which separates Louisiana and Texas and is the largest man-made lake in the country at 186,000 acres. It's also been named the number one bass lake in the country. Cypress Bend Resort features 95 guest rooms, including luxurious two-bedroom golf suites; a variety of dining options; state-of-the-art conference facilities; a full service spa; and an 18-hole golf course, known as the crown jewel of the **Audubon Golf Trail**. The design utilizes the natural terrain and creates elevation changes with breathtaking views of the lake. The elevated tee boxes and greens create visual challenges, but strategically placed bunkers, small well-guarded greens, grass bunkers, and, of course, water on holes force the golfer to really think his way around this course.

The historic and scenic town of **Natchitoches** is just minutes away from Cypress Bend, providing a variety of unique restaurants, shops and other outdoor attractions for the visiting golfer. Plus it's home to the **Northwestern Hills Golf Course**. This course has wide fairways on rolling hills and would make a nice complement to a round at nearby Cypress Bend Resort.

The **Alexandria** area is home to several golf courses and **Paragon Casino Resort** leads the way as home to the **Tamahka Trails Golf Club** in **Marksville**. Open to the public, Tamahka boasts Central Louisiana's most distinctive golf experience. The course has hosted many prestigious events, such as a U.S. Open Qualifier, the Louisiana Senior Four-Ball Championship and multiple championships for the Louisiana Golf Association. The layout of the course is fair, but it's also challenging with lots of sand, doglegs, water hazards, native grasses and trees. Adding to the stay and play experience at Paragon Casino Resort is an upscale hotel; live entertainment; movie theatre; large casino floor with table games, slots and poker rooms; plus nine restaurants and bars.

Jim Lipe designed Alexandria proper's **Audubon Golf Trail** entry, **OakWing Golf Club**. The 18-hole course, located on the former England Air Force Base, is a links-style layout. The undulating greens and rolling fairways are well-maintained year round.

Central Louisiana boasts three unique nine-hole golf courses as well. LSU of Alexandria operates a beautiful nine-hole golf course, the **Oakland Plantation Golf Course**, which is nestled among pine and oak trees on campus; and **Bringhurst Golf Course** is located in the heart of City Park next to the Alexandria Zoo. This course weaves through the surrounding oak trees and was recently renovated. Most notably, it's the oldest Par 3 course in the country.

Links on the Bayou rounds out Alexandria's great golf offerings. Conveniently located near the Alexandria International Airport, the course is a beautiful and challenging 18-hole Mike Young design. *Golf Digest* has rated the championship course the number one municipal golf course in Louisiana. Additionally, the full-service facility offers a unique three-hole Par 3 golf course.

The Crossroads region, as the name implies, is a great hub for a Louisiana golf trip. It's home to three **Audubon Golf Trail** courses, two of which are at very distinctive golf resorts.

Central Louisiana is a unique splice of Louisiana which feels much like the rest of the South. It offers quaint inns, historic hotels and exciting resorts at which to stay for a one-of-a-kind Louisiana golf vacation.

MARKSVILLE, LA

SOUTH Louisiana

There's so much to experience in **South Louisiana** that you may find yourself doing two things at once. Like dining and dancing at any number of restaurants with live music. The region follows Interstate 10 from Lake Charles through Lafayette and the nearby coastal areas to Baton Rouge and then flows along the Mississippi River to New Orleans. With all this territory, comes an amazing array of golf courses and non-golfing activities.

Audubon Park on the Audubon Golf Trail

Near Lafayette, head over to **Avery Island** and learn how **TABASCO®** is made, take in the beauty of 170 acres of breathtaking semitropical foliage. Visit the **Creole Nature Trail** to experience refuges and sanctuaries with abundant wildlife, offering unsurpassed hunting, fishing, birding and photo opportunities.

Take in the sights and tastes of the **Capital City**. Visit the tallest state capitol building in the United States and tour historic homes. Also, enjoy modern attractions--art galleries, shopping and spas. No matter what you do, you'll work up an appetite and you'll be glad you did, you'll have a hard time choosing where to eat, from local favorites to the experiential new fusion-concept restaurants fit for foodies. Heading south of Baton Rouge, be sure to stop in the **Louisiana River Parishes** area, enjoy beautiful historic homes and gardens built along the Mississippi River.

There's just "a little something extra" about everything in **Greater New Orleans** - what we call "lagniappe" in Louisiana. You'll notice it in everything from the food to the architecture. For example, at **Mardi Gras World** you can view the grandiose floats that roll down the streets during carnival season, take a haunted history tour and hear about the eerie accounts of the area's past, try a gospel brunch or join the procession of a second line and boogie in the streets.

These unique Louisiana attractions pair nicely with the **South Region** golf courses to create a golf destination like no other.

Bayou Lafourche Area

The distinctive **Cajun** culture of the state lies within the South Region, stretching from **Lake Charles** near the Texas border east to **Lafayette** along I-10 and then southeast along U.S. 90 towards the Gulf of Mexico. This area has fast become a golfing mecca thanks to the world-class facilities, which have sprung up over the last decade.

Lake Charles has been welcoming golf travelers to the region for several years. Lake Charles is the home of one of the three new **Audubon Golf Trail** stops, **Mallard Golf Club**. Lake Charles is also the location of two-casino resort courses, **The Country Club at the Golden Nugget** and **Contraband Bayou Golf Club at L'Auberge Casino Resort**, both casino resorts provide guests with truly upscale courses at a fair price.

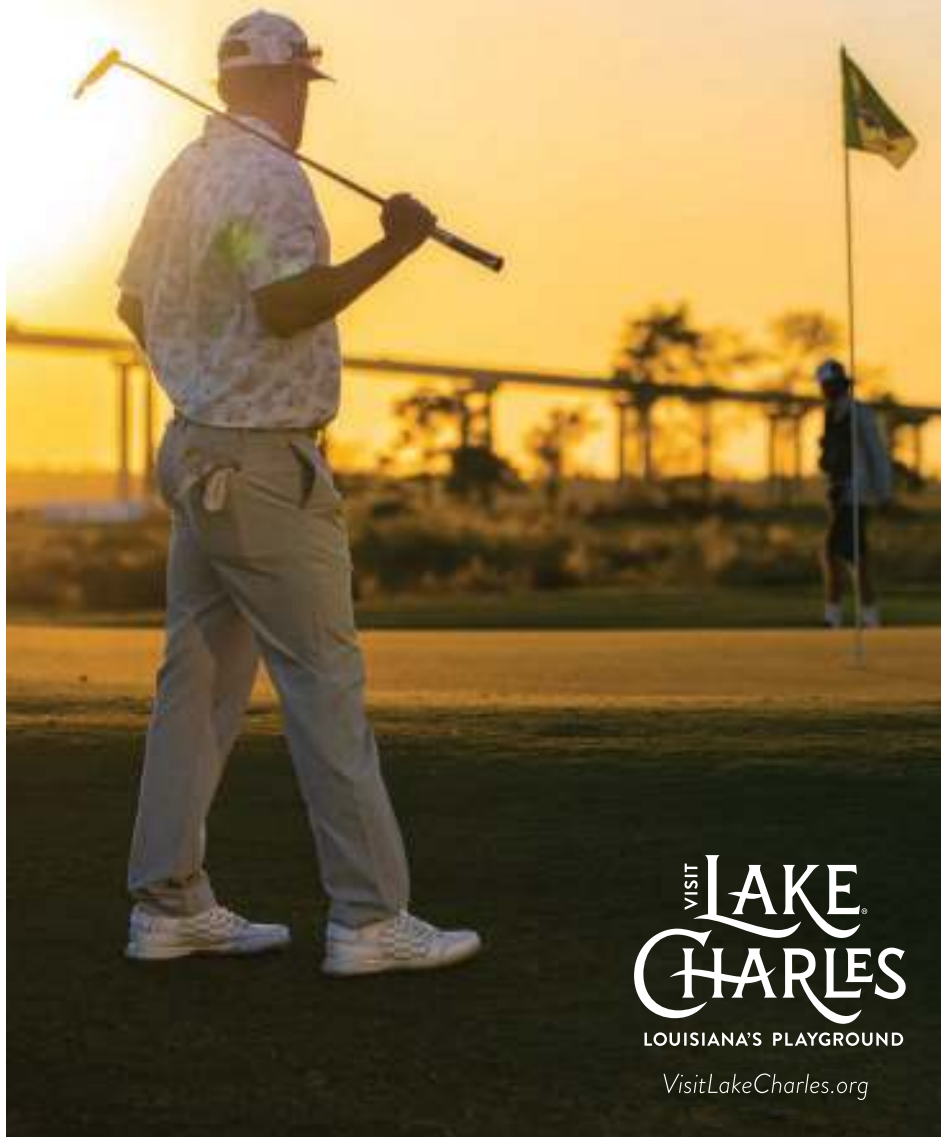

Mallard Golf Club, is a Scottish links inspired golf course designed by Jeffrey Blume. This Championship golf course features five sets of tee boxes, elevated greens, and rolling hills. The golf course is surrounded by native areas, no trees, and will produce a true Scottish links experience.

Contraband Bayou Golf Club at L'Auberge Casino Resort is the only public Tom Fazio signature design in the state. The course routing takes advantage of the lowland marsh features and eight spectacular lakes. *Golf Digest* has listed it as one of Louisiana's "top courses in state" and one of the "best casino courses" in the country. Golfers, who have played it, consider it the second best course in the state, according to *Golf Advisor*.

The Country Club at the Golden Nugget is just a long par 5 away from Contraband Bayou. In fact, the two casino resorts have a waterfront boardwalk connecting them. After being named a “top new course” by *Golf Digest* and ranked in the top ten in the state by both *Golfweek* and *Golf Digest*, the course has matured into perhaps the best-conditioned course in the state. Water is ever-present, both in view and in play, so driving well is key.

Located between **Lake Charles** and **Lafayette**, **Koasati Pines at Coushatta Casino Resort in Kinder** is on the **Audubon Golf Trail**. A top casino course in Louisiana, with six sets of tees to engage golfers of all skill levels.

In the **Lafayette Parish** area, the heart of **Cajun Country**, you will now find two Audubon Golf Trail courses, **The Wetlands** in Lafayette, which offers a link-style design that wraps around inland lakes and

marshlands and **Farm d’ Allie Golf Club** in Carencro one of the three new **Audubon Golf Trail** courses. **The “Farm”**, as it is called is a spectacular 18-hole championship golf course crafted by golf course architect, Jeffrey Blume. Comprised of 215 acres, much of the course is situated in what the Acadians called bottomland or Beau Basin, which was once the river bend of the “Mighty Mississippi.”

The **Atchafalaya at Idlewild** is also an **Audubon Golf Trail** course in the South Region, located near **Morgan City**, the Robert von Hagge design features dramatic elevations with spectacular views of the **Atchafalaya Basin**. Notably, **The Atchafalaya** was named a “top ten new course” by *Golf Digest* when it opened and golfer submissions on *Golf Advisor* have it ranked second in Louisiana.

Five of the courses on the **Audubon Golf Trail** are within an easy drive of **Baton Rouge**, making the capital city a great hub for a golf vacation to this part of Louisiana. **Santa Maria** is a municipal course in Baton Rouge proper and an original Robert Trent Jones Sr. design. The course was built on 150 acres of rolling terrain, featuring 15 lakes and two natural waterways. Strategically placed sand and grass bunkers, rolling Bermuda fairways and ancient oaks provide the perfect setting for a memorable test of golf. **Santa Maria** is one of the Baton Rouge Recreation Department's (BREC) six courses. **The Island in Plaquemine** has re-opened and is once again a member of the **Audubon Golf Trail**. The course is very golfer friendly with tee placements for the average, senior and women golfers. The front nine is played clockwise and the back nine is played counterclockwise. The clubhouse overlooks the greens on holes 9 and 18. **Beaver Creek** is another golf course in the capital city area, and it's the number one golf course in Louisiana for playability, customer service and all around value according to golfer reviews at *Golf Advisor*.

Carter Plantation on the Audubon Golf Trail

Baton Rouge Area Great River Road Area

Copper Mill is an **Audubon Golf Trail** site, located in the suburb of **Zachary** near the Baton Rouge Metropolitan Airport. The course weaves its way through indigenous grasses, wetlands and marshes. And it's unique in that each nine is made up of an equal combination of three par 3 holes, three par 4 holes and three par 5 holes.

The **Pelican Point Golf Community**, east of Baton Rouge along I-10 in **Gonzales**, has been a local favorite for many years. This unique facility offers the 18-hole Links Course with generous fairways and large Champion Bermuda greens and the 9-hole Get Golf Ready Course, which, as the name implies, is great for both beginners or seasoned golfers looking to get in a quick round.

Located between Baton Rouge and New Orleans is **Belle Terre in Laplace**, a top ten Louisiana course, according to player reviews on *Golf Advisor*. Carved out of the swamplands of **St. Charles Parish** in **Luling** lays the challenging **Grand Ridge**, its fairways are lined with moss-covered Cypress and Oak trees, and ten holes are guarded by water. Both tracts are accessible from New Orleans and Baton Rouge.

Another exciting destination on the **Audubon Golf Trail** is **Carter Plantation** in **Springfield** north of LaPlace and due east of Baton Rouge. This course is LSU alum David Toms' first signature design. The PGA TOUR player designs like he plays – tough but fair. It's the 86 strategically placed bunkers and water hazards on 11 holes that make for a challenging round of golf, plus the **Villas at Carter Plantation** offer 42 spacious rooms and suites within six fully-furnished villas to provide the perfect overnight accommodations for **Audubon Golf Trail** guests.

Greater New Orleans beckons visitors to experience all that the region has to offer - from exciting nightlife, river cruises and historic sites to creative cuisine, unique watering holes and craft breweries, but it's the sub-sea level topography tied to surprising elevation changes that will have golfers bragging when they return home.

Starting on the **Northshore** of the vast **Lake Ponchartrain** is the Ron Garl-designed **Money Hill in Abita Springs**. Garl did very little earth moving, feeling that "Mother Nature did the real work here." Constant elevation changes throughout the course and a 150-acre artesian spring-fed lake that comes into play on the final five holes, create a challenging, yet scenic layout. As with most private clubs, they offer reciprocal play to other clubs' members. **Oak Harbor in Slidell** boasts generous landing areas framed by mounds, native grasses, lakes and greens framed by railroad ties.

Heading east before making your way to the Big Easy is an **Audubon Golf Trail** member course that is a "must-play," **Oak Knoll Country Club**. The course's layout and design will have you reaching for every club as you maneuver the rolling fairways, fast greens and strategically placed sand and water hazards.

The Big Easy golf scene is big, but not necessarily easy. The booming 7,400-yard **TPC Louisiana** leads the challenge in **New Orleans** as the annual host to PGA TOUR players in the **Zurich Classic**. The breathtaking scenery on the Pete Dye designed golf course stretches 250 acres along the western Mississippi River delta. The course features more than 100 bunkers and five ponds, which come into play. **TPC Louisiana** was named the fourth "best new upscale golf course" by *Golf Digest* when it debuted in 2004 and it's consistently included in *Golfweek's* "best courses you can play," plus it's the **Audubon Golf Trail's** most requested golf course.

Also on the west bank of the Mississippi River outside New Orleans is **English Turn**, designed by Jack Nicklaus. The course hosted a PGA TOUR event for many years and its 18th hole was ranked the hardest hole on tour many times. The layout is memorable for its challenging greens, water in play on 17 of the 18 holes and the signature fifteenth island green. Most notably, an on-site golf villa can be rented and comes with playing privileges at this club.

In the historic Uptown neighborhood across from Tulane and Loyola University is an original **Audubon Golf Trail** member, the **Golf Club at Audubon Park**. The course opened in 1898, and has undergone an extensive renovation under the guidance of Denis Griffiths, a past president of the American Society of Golf Course Architects, even though it's a Par 62, the layout rolls beside majestic oaks, encounters many water hazards and boasts booming Par 5s, intricate Par 4s and certainly some unique Par 3s. It's definitely worth the trip Uptown for a quick, yet challenging round of Big Easy golf.

Finally, an **Audubon Golf Trail** member, **Bayou Oaks at City Park – South Course** is the much-anticipated South Course that opened in 2017 and rejoined the **North Course** to complete the City Park golf complex and get back to its pre-Katrina glory. The South Course is a championship level golf course comprised of a 250-acre footprint. The course is a Rees Jones design and winds among lagoons and century old oaks. The well-contoured layout has water on 13 holes. The North Course, open since 2009, offers a challenging yet fun round for all levels of golfers. Water comes into play on eight of the holes and adds to the challenge.

GLAMPING SITES AT LOUISIANA STATE PARKS

Louisiana State Parks and Tentrr have set up more than 88 fully-equipped, safari-style tent sites throughout nine Louisiana State Parks. Each turnkey camping site was hand-picked for its unique, natural beauty and proximity to recreational activities. Louisiana was the first state to partner with Tentrr to put sites in state parks.

“This partnership makes experiencing the natural beauty of Louisiana more accessible by making camping easier and more comfortable. It’s a great option for busy people with no time to plan a camping trip or for people who don’t want to invest in camping equipment,” said Lieutenant Governor Billy Nungesser.

Tentrr, installed the fully-equipped campsites at Bogue Chitto, Lake Fausse Pointe, South Toledo Bend, Chicot, Grand Isle, North Toledo Bend, Sam Houston Jones, Tickfaw and Fontainebleau. Each site includes a spacious, safari-style, canvas-walled tent atop a raised platform located in a rustic area outside the park campground. The sites are outfitted with a queen-sized bed and memory foam mattress, a heating source, Adirondack chairs, a fire pit, a grill, and a picnic table. ADA-accessible and pet-friendly sites are available.

Access to the state park facilities, such as showers and flush toilets, are available in the adjacent campground, and portable toilets are located near the sites. There are single and double tent sites available. Single tent sites sleep up to six (two occupants in the main safari-style tent and four occupants in a nearby pop-up tent). Double tent sites - or buddy sites - sleep up to 12 (two occupants in each of the two main safari-style tents and four occupants in each of the two provided pop-up tents).
